School Report.

TO THE CITIZENS OF RUMNEY:

In presenting our school report this year we take pleasure in saying we certainly have had good teachers and have had to make few changes. The relations existing between teachers and School Board being very pleasant. While it is necessary to have competent teachers, it is no less essential, for the best results that the pupil should be regular in attendance. If not he soon loses ambition, is always behind his class and is an annoyance to both teacher and diligent scholar. We would ask, for another year, that the parents see to it that their children are punctual and regular in attendance at school, realizing that each day's absence denotes just so much loss to that individual pupil and to a certain extent retards the progress of the whole class.

It seemed best in the judgment of the School Board to convey the scholars from East Rumney to Quincy, the school at East Rumney being so small there was but one term taught in that school house.

During the Spring term on account of inadequate temporary school room the sixth, seventh and eighth grade pupils went from Rumney Depot to the Village Grammar school but this trouble was eliminated by the completion of the new two room school building of which the town may be justly proud. The scholars have by subscription and the proceeds from an entertainment, given with the help of their efficient teachers, purchased a fine case of eight maps, a globe, two clocks and a large bell. We were much pleased at the interest taken. The pupils at the Village schools have also, by their own endeavors, purchased a gong.

There were several necessary repairs made at East Rumney, Mont View school house shingled and many other minor repairs. The school houses are now in fairly good repair.

Dr. Haven Palmer presented the Depot school with a fine map of the United States, and Wm. S. Learned and C. A. Holden each gave a framed picture for which our thanks are due.

The school at East Rumney was the banner school for attendance during the Spring term, there being neither an absent or tardy mark until the last week.

We have an unusually large number of pupils attending High school and we are glad to note they are maintaining the average excellent rank of our scholars of previous years.

We would make the following recommendation as to appropriations for the coming year: For High school tuition, \$500; for text books and supplies, \$300; for maintenance of flags \$15.

And now in closing allow us to add that our schools just finished have been fully up to the average of those in former years and in some cases a marked improvement. We have tried to perform our work as best we could, conscious of its importance and desirous of its success. We thank parents, teachers and pupils for many courtesies shown.

Respectfully,

CARRIE A. CRAIG,	} School Board.	
SUSIE C. ATWOOD,		of
CHARLES A. HOLDEN,		Rumney.

Roll of Honor

One term —A. Blanche Abbott, Roy H. Buzzell, Winnifred B. Greeley, Marion E. Hill, Elvira N. Whitcher, Carl L. Elliott, Austin C. Hunt, Alice Tilton, Carrie M.
